Texas A&M University at Galveston The Voyager 2001-2002

As Texas A&M University celebrates its 125th anniversary, Texas A&M University at Galveston moves through it's 40th year. Texas A&M is a university deeply rooted in tradition, and we all hope to continue to develop these traditions with main campus, as well as, on our own growing Galveston campus. As the tradition continues with Texas A&M, so does the tradition of the Voyager Yearbook.

New Additions in 2001-2002

Above: The Gazebo built in the open area outside the residence halls gives students extra picnic tables and two brand new BBQ grills.

Right: Bennison Place, built on the Teichman Campus, will serve as a host facility for sailing classes and sailing club/team events.

The Beginnings of a Clock Tower

Mr. Searcy Bracewell generously donated money to TAMUG for campus beautification. Efforts to build a clock tower began early with the moving of the anchor from the middle of the quad to the front of the library. Ground was broken in early spring and construction was completed just before Commencement in May.

The Final Product

The clock tower chimes on the hour and half hour, and plays a song at noon. Also, the clock can play the Aggie War Hymn for special occasions.

Senior Elephant Walk

Elephant Walk marks the end of the usefulness of the Aggie seniors to the student body. Like dying elephants, which wander the jungle looking for a place to die after their value to the herd is over, the Class of 2002 joined hands and wandered aimlessly about campus visiting landmarks for the symbolic "last time."

Above: Seniors sway to the Aggie War Hymn with former student, campus administrator and guest speaker, Donna Lang.

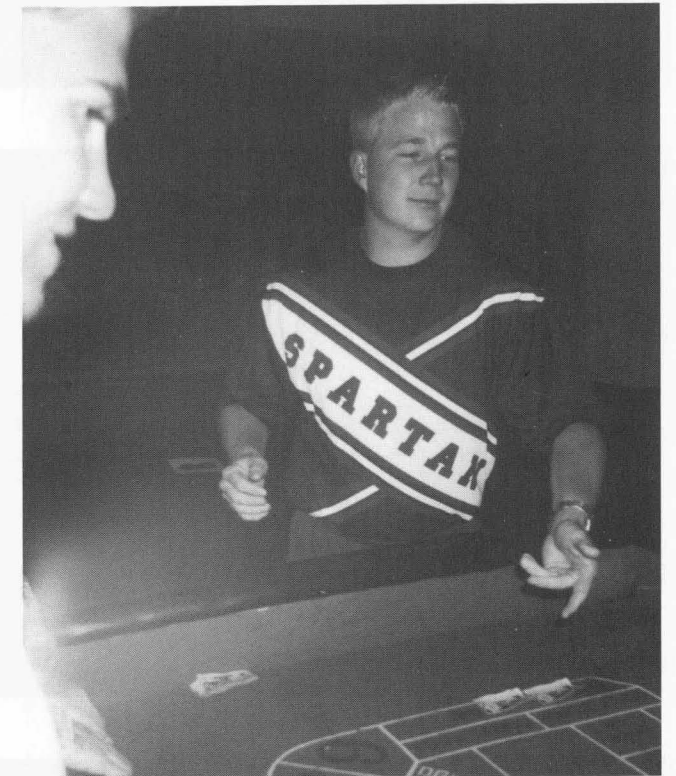

Right: Senior Yell Leaders lead the Class of 2002 in yells in the residence halls.

Midnight Breakfast

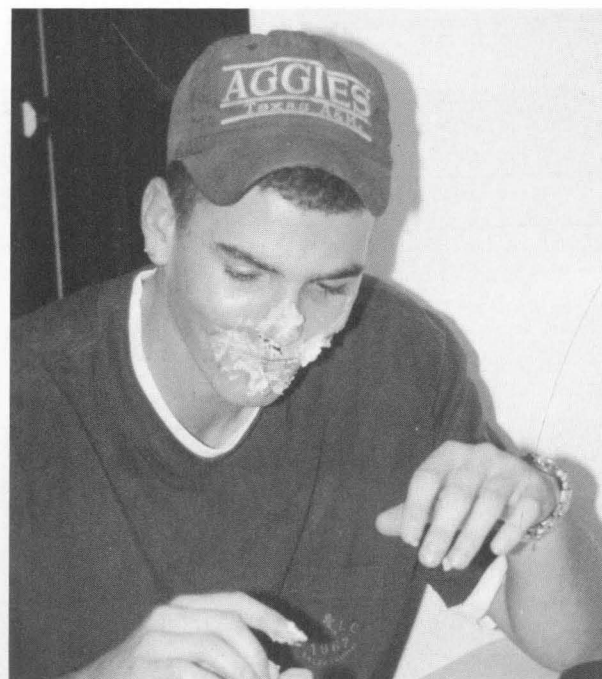

At the end of each semester, TAMUG's faculty and staff team up with the Department of Food Services to serve TAMUG's student body a midnight breakfast before the first big day of finals. Many of Galveston's community leaders come out to the event as well.

As the Voyager makes its return after a long absence, there were more obstacles than all of the staff ever could have imagined. I want to thank everyone for being so patient and cooperative in our efforts to bring the yearbook back to TAMUG. I especially want to thank Shelly Henry for her continued guidance, support and extreme patience, and for all of her help to make this a success.

The return of the Voyager was made possible through parent support, the participation of the campus, the Voyager staff, and our sponsor.

Thank You
