The Nautilus, often called the "living fossil," has a unique life history. It starts its life in a small, one-chambered shell. As it grows, it continually moves into a successive, larger chamber. Even though it no longer lives in the old chambers, it maintains a link, in the form of a minute canal, between the old and new chambers.

13370

Moody College, like the Nautilus, is constantly growing and expanding its horizons, incorporating new aspects of the marine environment, while constantly maintaining a link with the past. Each new school year is a new chamber; an expansion and enlargement to meet the demands of its surroundings. However, traditions are still kept and passed from one year to the next.

The yearbook is the school's link with the past. It is through the yearbook that students and faculty alike can look back and remember the years that were and the events in them that made them what they were.

# BASEBALL

## BASEBALL RESULTS

Luck was definitely not with the baseball team this year. The season started with a string of agonizing defeats and a very discouraged team finally disbanded at midseason. The coach of the Baseball team for the last two seasons has been Mr. Marc Gentine. With the experience gained after two seasons, the Moody College Team looks forward to becoming better.

## MEN'S BASKETBALL

#### BASKETBALL RESULTS

Men's basketball attracted a good deal of attention, as well as a great deal of participation this school year. Five teams entered the competition, held at the College of the Mainland's gym. The teams played from February 3 to March 4. In the end, Team 3, captained by James Widdowson, were declared the undefeated intramural basketball champions of 1977.

# WOMEN'S BASKETBALL

## BASKETBALL RESULTS

This was the first year for Women's Basketball at Moody College. The teams were organized by Meg Gude and Linda Johnson; all of the games and practices were held at the Seaman's Center in downtown Galveston. Two teams played each other throughout the entire season with Team A winning all but 2 games. The season ended with a game played between the men of Moody College and the Women's Basketball team . . . which the men won and everyone enjoyed.

## FOOTBALL

## FOOTBALL RESULTS

Intramural football had an active season this year. Six teams - Corps Nads, 51st Street Wurms, A-1 Steak Sauce, B-1 Bombers, B-2 Derelicts, and Bay City Jews - played flag football from September to November. The Corps Nads remained undefeated throughout the entire season and their name was engraved on the Moody Cup. They then travelled to College Station for the School Championship, which was won for the first time by the Moody College Team - The Corps Nads.

# SOCCER

## SOCCER TEAM MEMBERS

(Pictured left to right, front row, sitting) Tom McDonald, Pete Strachota, Nowell Maluski, Pierre Riou, Richard Sanders. (Middle row kneeling) Mark Linver, Neil McManus, Joe Stephens, Mark Brenckman, Ron Adams. (Top row standing) Sid Steffens, Greg Baars, Leroy Lee, George Dennis.

(Not pictured) Coach Bill Wardle, Dave Holden, Larry Riley, and the other soccer players whose names we were unable to obtain.

#### SOCCKER RESULTS

The Moody College Soccer Team ended a perfect season this spring with an 0 and 8 record under the guidance of Coach Bill Wardle and elected team Captaihs Mark Linver and Joe Stephens. Over thirty students participated in the matches and practice sessions and team play improved markedly throughout the season to the point that the team almost won a match against the Galveston Islanders, a local city league team, in the Galveston League Cup Tournament at Ft. Crockett on May first. With another season's experience behind them, the team is looking forward to more victories next season.

## SOFTBALL

#### SOFTBALL RESULTS

Eight teams competed this Spring for the intramural softball championship. During regular season play, beginning March 23, the Staff team emerged undefeated, thus winning the championship for the second season.

Softball attracted more players than any of the

other intramural sports this year. All of the games were scheduled at night and the only real problem for anyone was making the trip from class to the playing field in time. Several of the games were held up for up to a half hour for this reason, but usually both teams preferred to wait and play the game rather than accepting the forfeit . . . showing good sportsmanship all around.

## VOLLEYBALL

## VOLLEYBALL RESULTS

This was the first year that the volleyball team had competed in a city-wide program, and they decidedly proved that they could meet any challenge. The team, organized by Frank Bibens, played each week from late October to April in the volleyball program organized by the Texas City Recreation Program. This program was sponsored by the College of the Mainland, where all of the games were played. Our volleyball team remained undefeated throughout the season.

In the Galveston College Tournament, two teams, the original volleyball team and a graduate student team, were entered. Neither team was able to place in the finals, but everyone worked hard and enjoyed the end of the season at the beach.

Moody College graduated its first four year class this year, as the school's enrollment reached a new high - 490. This yearbook reflects that increase as it is larger and more encompassing than any book yet published at Moody. Many hours were spent in compiling the book and at times the task seemed impossible. However, through the help of many people, it became a reality. I would like to thank all those staffers, faculty, and friends who sacrificed their free time to help in recording the events of the 1976-77 school year.
