<b>Preferred Citation:</b>	Title of item. Box #, Series #. The Galveston Bay National Estuary Program Papers. Jack K. Williams Library, Archives, and Manuscripts, Texas A&M University at Galveston, Galveston, TX.
<b>Donor:</b>	Galveston Bay National Estuary Program, Galveston Bay Information Center

---

### Biographical Note

The Galveston Bay National Estuary Program is based in Houston, Texas and is administered by the Texas Commission on Environmental Quality. The program was established in 1989 with the mission to preserve Galveston Bay. They are involved in implementing *The Galveston Bay Plan*, outreach and education with the public, managing stakeholders, and coordinating among the agencies involved in monitoring Galveston Bay.

## **Scope and Content Note**

Materials include papers, reports, bound draft reports, photographs, slides, floppy disks, and cd's. The materials include topics of the creation of the Program, creation of the Galveston Bay Plan, materials and photos of events, information about the Galveston Bay Information Center at TAMUG, and the Citizen's Monitoring Program. The files in series 1-6 were organized and labeled by the The Galveston Bay Estuary Program and were kept in original order. Series and subseries labels were created by the processor.

---

## **Related Collections:**

The final draft of the Galveston Bay Plan can be found at the Jack K. Williams Library. The listing for the catalog holding can be found at: [http://tamug.worldcat.org/title/galveston-bay-plan-the-comprehensive-conservation-and-management-plan-for-the-galveston-bay-ecosystem/oclc/34061435&referer=brief\\_results](http://tamug.worldcat.org/title/galveston-bay-plan-the-comprehensive-conservation-and-management-plan-for-the-galveston-bay-ecosystem/oclc/34061435&referer=brief_results)
