"A State Of Pride"

Texas
1836-1986

Texas, our Texas! All hail the mighty State!
Texas, our Texas! So wonderful, so great!
Boldest and grandest, withstanding every test;
O empire wide and glorious, you stand supremely blest.

God bless you, Texas! And keep you brave and strong.
That you may grow in power and worth, throughout the ages long.

- Words by Gladys Yoakum Wright and William J. Marsh

Aggie Muster '86

THE MUSTER TRADITION

"In 1903, the A&M Cadet Corps - 300 strong - mustered together in observance of the independence of Texas and the great sacrifices made by those gallant sons at Goliad, the Alamo, and on the battleground of San Jacinto.

It was agreed that "Forever Afterwards" April 21 would be a day of mustering for Aggies wherever they might be.

It was also agreed that, in addition to honoring the freedom of Texas, April 21 would be a time to pay homage to all students and former students who have passed on, and that some living comrade would answer "Here" when the roll call for the absent was read.

And so it has been over the years, since that small group started what has come to be one of our greatest traditions. The Muster is symbolic of the great loyalty which binds Aggies to their school and to each other.

The Muster is more than a ceremony. It represents a pledge and responsibility of A&M men and women which has been handed down from generation to generation and from year to year.

It is a way for each of us to renew each year our loyalty and unity which constitute the basic foundation of our friendship for each other and the love and devotion for our school . . ."
